Gabinda Paul
I'm writing to you with regards to applying to the waitress role I saw on indeedcanada.org. With over five years of experience providing excellent service to diners at quality establishments, I know that I'm a strong candidate to fill out your team.

While working as head waitress at the Longhorn Grill in Los Angeles, I learned the ins and outs of the industry, including food handling techniques and how to take orders efficiently in a Driving I also served as a hostess and waitress at Mike's Fancy Kitchen, where I was introduced to bussing tables and proper cleaning techniques for maintaining a hygienic dining experience.

My accomplishments include:

- Memorizing Longhorn's wine stock and the appropriate entrée pairings, leading to daily wine sales averaging $180
- Assisting in the training of 6 new waiters that helped boost the restaurant's performance
- Implementing new menu introduction strategies, increasing customer purchases of win by 10% on average

All my experience and skills would make me a great new addition to your establishment. I have attached my resume, which contains a more in-depth look at my experiences and skills. I look forward to hearing from you and would love to visit your restaurant for an interview. Thank you for your time and consideration.

Sincerely,
Gabinda Paul
